Warrant of Town Meeting

To the inhabitants of the Town of Dummer, in the County [L. S.] of Coos, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Willis Schoolhouse in said Dummer on Tuesday, the 12th day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation for the same.
3. To raise such sums of money as may be necessary for the repair of highways and bridges.
4. To raise such sums of money as may be necessary for snow removal.
5. To raise such sums of money as may be necessary for cutting bushes along Town roads.
6. To see if the Town will vote to accept T.R.A.
7. To raise such sums of money as may be necessary for the support of Town libraries.
8. To raise such sums of money as may be necessary for maintenance of cemeteries.
9. To raise such sums of money as may be necessary for the support of Town Poor and Old Age Assistance.
10. To see if the Town will vote to give discount on taxes.
11. To see if the Town will vote to give the Selectmen the right to hire money in anticipation of taxes, and to renew notes.
12. To see if the Town will raise and appropriate any sum of money for the White Mountains Region Association.
13. To see what sum the Town will vote and appropriate for the purpose of establishing a capital reserve fund to be used for buying snow removal machinery.
14. To see if the Town will buy any snow removal equipment, and raise and appropriate money for the same.
15. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 4th day of February, in the year of our Lord nineteen hundred and forty-six.

Report of Superintendent

To the School Board and Citizens of *Dummer :

Herewith is submitted the annual report of your School Superintendent together with the usual tables of school statistics.

During the past year two schools (Willis and West Dummer) were maintained with two teachers. The schools were in session for the required year of thirty-six weeks, with an average of 175 days of actual sessions.

The percentage of attendance for the year was 94.7, which was an improvement over the previous year. Good attendance and good accomplishments go hand in hand.

At the close of the year in June, eleven pupils were graduated from the Eighth Grade (three at West Dummer and eight at Willis). This was the largest number of Eighth Grade graduates for several years.

The majority of these pupils are now continuing their school work at Berlin High School.

During the year your Superintendent has made forty-one visits of supervision and inspection. The work of the pupils has been carefully examined and suggestions made looking toward improvements. The school work has been in accord with the State Program of Study.

The present school year (1945-46) opened with the same teacher at the Willis School. At West Dummer, a new teacher, Mrs. Nellie Wedge, a graduate of Farmington, Maine, Normal School, was in charge.

Because of health and family reasons, Mrs. Wedge was obliged to resign at the close of the fall term, and Mrs. Gwendolyn Jones is now the teacher of this school.

Statistics for the year 1944-45 are as follows:

Grade	Boys	Girls	Total
First	4	2	6
Second	1	1	2
Third	2	5	7

**REPORT OF THE
WHITE MOUNTAINS REGION ASSOCIATION**

To the Voters of the Town of Dummer:

We hereby submit our annual report for the year 1945-46 showing what is being accomplished through the prestige gained by 46 towns working together in the interest of regional agriculture, industry and recreation:

Agriculture: Sponsoring competition among 50 regional 4-H clubs to aid further agriculture by offering prizes to clubs and individual members for outstanding accomplishments; publishing expert advice from the Colebrook Agricultural Experiment Station on produce raising for profit; assisting cooperative efforts for raising, grading and marketing farm products.

Industry: Finding and following up new business possibilities and listing available sites, in cooperation with the State Industrial Division; broadcasting information of available research aid and results of experiments in wood waste use; offering facilities of State Industrial Division and University Research Division to towns and individuals.

Recreation: Assisting towns, the state and U. S. Forest Service in plans to develop suitable recreation areas in the region; surveying and making known possibilities for improving facilities to increase regional income from commercial recreation.

Aviation: Actively presenting region needs for airports and air service to state and federal agencies, to insure favorable action when federal funds are available.

Real Estate: Sponsoring real estate organization to improve general conditions, standardize fees and services; distributing lists of prospects for properties. (\$75,000.00 of sales reported last year.)

Publicity: Presenting advantages of towns and region by advertising, news and printed material—20,000 winter folders and newspaper advertising; 20,000 fishing-hunting folders; attendance of well-known guide and secretary at sportsmen's shows; 25,000 pictorial booklets and 100,000 low-cost folders planned for spring.

Trade Schools: Developing possibilities for state aid trade schools and vocational courses in region schools for presentation to the state board of education.

Transportation: Securing improved rail and bus service for sections needing it; keeping region requirements before transportation agencies.

General: Assisting on all types of town problems; representing town interests before state and other agencies; maintaining information center for use of citizens; furnishing region data for state departments; answering thousands of inquiries on all subjects.

Town appropriations make these services possible.

ROBERT GLOVER,
Councilman.
